

William White Award Nomination

To all coaches,

In 2025, we will be presenting the William White award to a coach at the NY INVITATIONAL. This original award is being given in honor of Bill White, a much loved gymnastics coach from New York City.

While he was coaching, Bill White would always enter the gym with a smile on his face, always have a positive word for his athlete, and always push his gymnasts to take valuable lessons with them when they left the gym. Bill White continues to teach with the same enthusiasm and warmth as a teacher of students with learning disabilities in New York.

The award will be presented to the coach with the winning level 10 team. The winning team will receive an award of \$500 and the coach will also receive an award of \$500.

Thank you,

NY INVITATIONAL STAFF
